

2020 10 9 ssd

1. background info
 2. disability history
 3. academic exp
 4. accomodation approved
 5. how to implement
- wont have to repeat this meeting
 - just will have to redo
 - flexible deadlines
 - not a strict thing
 - convos with instructors ab things need extra time
 - need talk about proactively
 - active as long as doesnt mess with course
 - allows instructors give flexibility where possible
 - priority registration
 - register with one the first groups
 - access to audio record lectures
 - allow me take audio recording of lectures
 - reduced distraction environment
 - course load reduction
 - if ever semester want less 12 hours
 - ever reason need drop for disability stuff can
 - each semester need get accessibility letters
 - go to ssd student portal to get letters
 - after apply
 - become effective after send to prof and discuss
 - takes time coordinate arrangements
 - can contact ssd if need help
 - can schedule tests at ssd
 - portal
 - need confirmation from instructor
 - only applies when prof cant give reduced distraction environment
 - accommodations not retroactive
 - if ever feel like discriminated on basis disability
 - both formal informal ways fix
 - final step
 - fill two pages out docuSign
 - read thru both sign and date
 - once get back docs can activate
 - letters ready 3-5 business days after that
